The diagram illustrates a relationship between three classes. On the left, there are two white rectangular boxes. The top box contains the text 'Ragot::ExtrudeMesh' followed by '::ExtrudeMesh' on a new line. The bottom box contains 'Ragot::RevolutionMesh' followed by '::RevolutionMesh' on a new line. On the right, there is a gray rectangular box containing the text 'Ragot::Mesh::Mesh'. Two blue arrows point from the right side of the top white box and the right side of the bottom white box to the left side of the gray box, indicating that both 'Ragot::ExtrudeMesh' and 'Ragot::RevolutionMesh' inherit from or are related to 'Ragot::Mesh'.
