```

The diagram illustrates inheritance relationships between three classes. On the left, there are two white rectangular boxes. The top box contains the text 'Ragot::ExtrudeMesh' followed by '::ExtrudeMesh' on a new line. The bottom box contains the text 'Ragot::RevolutionMesh' followed by '::RevolutionMesh' on a new line. On the right, there is a gray rectangular box containing the text 'Ragot::Mesh::Mesh'. Two blue arrows point from the right side of the left boxes to the left side of the gray box, indicating that both 'Ragot::ExtrudeMesh' and 'Ragot::RevolutionMesh' inherit from 'Ragot::Mesh'.
